ILLNESS

All campers are screened upon arrival at camp for good health prior to admission. We ask that no camper come to camp ill or with any contagious condition. We reserve the right to send your camper home if they become ill, develop any contagious condition (such as pink eye or head lice) or if they are unable to participate in the major activities of camp. If your camper cannot remain at camp due to health reasons, you will not receive a refund of camp fees.

If your camper suffers an injury or illness that requires professional medical care, is unable to participate in camp activities, or needs **medication that you did not provide**, we will notify you as quickly as possible.

HOMESICKNESS

Parents can help their child adjust by letting them know that they expect them to have fun. They can also encourage them to meet new friends and learn new things. It is best not to promise a child that they can come home if they are homesick. We also discourage children from making or receiving calls from home, especially if homesick. We have found that calls from home make the adjustment more difficult. Our staff works hard to help children adjust by making sure they are involved in team building and fun activities. If an emergency situation arises at home, we ask that you contact the program director.

- First-Aid and CPR certified staff are available 24 hours per day.
- When operating programs, we send a letter to local EMS/ Fire Departments with our week's itinerary.

PROGRAM ACTIVITIES

Not all activities are available to all participants, as some activities have age and/or size restrictions. These activities are subject to change, depending on weather, staff availability or acts of third parties beyond our control.

If you have someone you want to room with, please make this request on the Participant Information Form, but they must be within a year of age difference to room together. We suggest that you help your child pack his/her suitcase so they will know what was packed and will be better able to repack for home. Let your child make some decisions on what to bring.
