

HOW?

SCHOOL COUNSELORS

For 7th and 8th grade students to be considered for the C-CATS program, they must be in the top 20% of their class. To nominate eligible students, please visit the link provided in the nomination letter and follow the on-screen instructions.

PARENTS OF NOMINATED STUDENTS

Once your child has been nominated, you will receive a recommendation letter through the mail. To register your student, visit the link provided in the letter and follow the on-screen instructions. A non-refundable deposit is required to complete registration and secure a spot in the program. The C-CATS weekend sessions are in high-demand and fill up quickly, so register your nominated student early.

WHO?

This exciting opportunity is specifically designed for:
7th and 8th grade students in the top 20% of their class.

Students interested in developing their leadership and relational skills while exploring their academic future at a top university.

Clemson's Challenge for Academically Talented Students (C-CATS) recruits outstanding students from SC, NC and GA to participate in high-powered weekend retreats. Through team-building and academic sessions, students gain leadership skills, make lasting friendships, and improve their ability to think clearly and perform under pressure, all while having the time of their lives!
